STIPULATION

Pursuant to the Order issued by the Trademark Trial and Appeal Board (the "Board") on June 22, 2009, and in accordance with Trademark Rules 2.120(a)(2) and (a)(3) and the parties' agreement reached during the discovery teleconference held on June 3, 2009, Opposer Blue String Ventures, Inc. and Applicant Las Vegas Sands Corporation hereby jointly request that the Board permit them to waive the requirement of initial disclosures. The parties agree that initial disclosures are not necessary in this case, and that it would be more efficient to use traditional discovery devices.

The parties further stipulate that they will use the standard TTAB Protective Order in the proceeding without modification.

The parties further stipulate that they will not make any changes to the TTAB Scheduling Order at the current time.

The parties have discussed potential settlement and agreed that neither party will serve discovery until Applicant responds to Opposer's settlement proposal.
